

REBUILDING AND RETROFITTING

Rebuilding and Retrofitting

Pratt & Whitney offers rebuild and retrofit programs to update obsolete instruments to either a digital or laser configuration.

All components are evaluated and replaced as required or remanufactured to new condition. Our full warranty applies and the instrument is certified traceable to the National Institute of Standards and Technology.

Price can include supervision of initial set-up and training on site.

Obsolete Instrument

Rebuilt to Digital Configuration

Calibration Certification and Training

Pratt & Whitney offers periodic certification and consultation service and will conduct a comprehensive training program for your personnel at your facility or at Pratt & Whitney. Please contact our Service Department at 800-371-7174 (option #3)

U.S. Export Control Laws Compliance:

Export and re-export of laser measuring instruments manufactured by Pratt & Whitney are subject to U.S. Export Administration Regulations, which are administered by the Commerce Department. The applicable restrictions vary depending on the specific product involved and its destination. In some cases, U.S. law requires the U.S. Government approval be obtained prior to resale, export or re-export. Clarification can be obtained by contacting Pratt & Whitney or an appropriate U.S. Government agency.
